Notes

Sophie and Hort ate the seem when she finds out he survived

Chapter 1

Sophie still couldn't believe Hort was alive, but his lips on hers said it wasn't a dream.

Hort was holding Sophie's waist over his hips, trying to pull them together over her clothes.

The two of them had done this before but not with each other

Hort was unsure though, he's waited so long for this moment, fantasized about it so many times he doesn't think it can be real

Sophie pulls her lips away from Hort's and he wonders if he's done something wrong until he understands what's going on.

Slowly, Sophie begins to strip looking deep inside his eyes

Hort gasps, not only because Sophie's body is perfect but because he's seeing the woman of his life naked in front of him, the same girl who's rejected him for years and who seemed to prefer to die the worst possible way rather than sleep with him. the weasel boy

He doesn't dare help her and risk being scolded, despite loving when Sophie yell at him.

When she finishes the process that Hort has enjoyed very attentively, he pulls her by the waist and kisses her neck.

He kisses descend to her collarbone, then to the gap between her breasts until he swallows one of them while massaging the other and Sophie gasps.

Sophie grabs Hort's disheveled hair and he smiles at the knowledge that it provokes something like this in a girl like Sophie.

Hort starts sucking the other breast and his hand goes down Sophie's abdomen until it reaches between her legs.

-Hort... - she moans when he presses firmly on her clit

He kisses up Sophie's bust leaving a few hickeys until he reaches her pink lips again and kisses them passionately.

Hort slides his middle finger further down to Sophie's entrance.

-Can i? - he asks about and as an answer she pushes herself halfway inside and moaning into Hort's mouth

After a while he puts in a second finger and starts doing scissoring motions while pressing his thumb on Sophie's clit, he learned a lot about the female pleasure from Nicola

Sophie suddenly stands up and again Hort wonders if he's done something wrong, but Sophie just gets rid of whatever clothing separates them.

She grabs his neck and pulls him to face each other.

-Do you want to fuck me? - she ask

Hort's erection somehow manages to get even harder and he feels the precum leaking out.

He pulls her in for a kiss but she stops him.

-Tell me what you want to do with me,
if you don't say anything i'll leave

Hort lets out a weak groan as Sophie rolls around on his erection.

-I want... I want to be inside you

-Oh but you've been, don't you remember? Just now you fingered me - she mocks - If you want something specific inside me, you must be clear about it

-I want my dick inside you - he say

-And what else? Come on, dear be a good boy and tell me dirty things

-I want to fuck you, I want to make you moan my name, I want you to come thinking of me, I want to show you how much I love you

Sophie's gets wetter

-Fuck me - she orders - Hort of Bloodbrook I want you to fuck me so hard that you'll forget your name

Sophie holds Hort's hands beside his head as she positions herself on his cock. They both moan as she puts it all in.

Hort doesn't move, he lets Sophie decide when she's ready to start riding.

Sophie's breasts bounce over his face as she wiggles on his cock and Hort clenches his hands in agony that she won't allow him to touch her.

Hort takes one of Sophie's breasts in his mouth and sucks her nipple with gusto.

-Oh, Hort - groans - You are a good boy, always pleasing your King

Hort keep kissing Sophie's breasts and pushing his hips up.

She rolls over him as if she knows exactly what to do to drive him crazy.

-Mommy- he slipped

-Hm - she lets go of one of his hands to hold her chin - What did you say dear?

He swallows hard not knowing whether to repeat

-Come on, I want to hear it - Sophie's hands tighten on his jaw

-M-mommy - he mumbles.

-Again- she contracts her entrance making him let out an almost embarrassing groan.

-Mommy - moans - I'm so close

-But already? I wonder why?

-Because you fuck me so well that I can't hold back, I could come just looking at you and all your perfection

-Good boy - she slaps him lightly on the face and he can't hide how much he liked it

-Sophie... seriously, I'm very close, I think it's better...

-I didn't ask what you think is better, did I? - she asks and he doesn't answer - Now, I asked you a question, dear

-N-no - he answers tentatively from holding the orgasm

-You're going to come inside me

-What?

-Be a good boy and obey me

Sophie goes back to riding while she's choking him, it doesn't take long for Hort to climax.

-I love you - he moans when she loosens the grip on his neck - I love you

-You love me, don't you? - She murmurs in his ear - Is that why you're pouring inside me?

He groans in agreement and it seems to be enough for her.

When she gets off him he pulls her down

-Wait, you didn't come.

-Don't worry about it, dear - reassures - We're going to be late

-No - he says gruff - I'm going to make you come, you can't just make me delirious and not let me do the same for you

-You don't live without me, do you?

-I'm your boy, I'm all yours for you to do what you want with me

-Hm - she considers - My boy, I like it

-I love that you like it - he murmurs before throwing her on the floor and kissing down to her intimacy.

-Oh! Hort! - she moans when she feels his tongue on her lips - Make your King come, I order you

-As you wish, my King - he murmurs before sucking her clit and Sophie grabs his hair

She moans as he puts Sophie's legs on his shoulders and massages her breasts.

After a little while, Sophie writhes in moans and comes on her boyfriend's lips, who licks everything he can.

"Good boy," she murmurs.

"Only for you" he replies
